

## TUITION FEE STRUCTURE

2024-2025 School Year

At Wild Whimsy Forest School, we operate a year-round program with closures aligned closely with Seattle Public Schools, though there are some differences. Our monthly tuition remains consistent throughout the year to provide stability and facilitate planning for both families and our organization. For the 2024-2025 school year, which includes 210 instructional days, the tuition covers all administrative and materials fees, as well as transportation and entrance fees for field trips.

We are committed to investing in our educators by offering competitive pay and benefits, recognizing that a supportive work environment is essential for delivering exceptional education. Your support helps ensure that our teachers can focus on providing a high-quality, enriching experience for your child while contributing to their professional satisfaction. Thank you for supporting our dedicated staff and investing in the future of education at Wild Whimsy.

## Enrollment process and fees:

1. Pay deposit. This holds your place and schedules a family interview. \$150 of the deposit is non-refundable for registration and admin fees, the remaining balance is put toward your first month's tuition.
  2. After the family interview, you can enroll by paying for last month's tuition and filling out the forms.
  3. Before your child's first day of school, you will need to pay the remaining balance of first month's tuition.
  4. All future tuition payments can be set up as autopay or an offline payment.
  5. The yearly registration fee is billed every September after your first year. This fee covers air tag registration, and field trip costs.
